Hi Kim,

Sorry for not getting back to you right away. Re the pedicab idea, the city council sort of put that on the back burner for now. CD 14 did it as a pilot program, but that's all that happened. If Melrose Ave would like to pursue this, then we should discuss the more specific plans of what that would entail.

Re SportieLA, I copied my colleague Stephanie who can help coordinate with you on making a city certificate of recognition for their 30th anniversary, and the Councilmember possibly attending an event. Stephanie, please submit an event request to Elaine, but get more details from Kim first. Then, talk to Paul Neuman about the certificate of recognition.

Thanks,

How about February 24?

And do you think you could let me know about the LADOT response early next week? It will make a big difference in the annual marketing budget I'm drafting for next week's BID meeting.

Thanks!

Hi Kim,

Does Isack have a date for his 30th anniversary event? The Councilmember can make a certificate for him, but we usually put a date on it.

I'll check with the LADOT re the pedicab idea. I know there was a motion at City Council to look at it, but I don't think it gained much traction in the two years since it was first looked at.

Hi John:

Tried you at the field office the other day, but couldn't get through. Wanted to check on Isack Fadlon's proclamation and the quote for the press release re: Sportie LA's 30th Anniversary. Any news on that?

And question. We're interested in implementing a pedicab program on Melrose this summer to take people back and forth for free on hot summer days. I know it was a topic of conversation a few years ago, but don't know where the issue netted out.

Do you know if we could get zoned to run something like that?

Thanks,  
Kim
